The Blacks

Mrs Black is a housewife. Her husband is a businessman. They have got a daughter. Her name is Liz. She is ten.

Mrs Black has a lot of work to do about the house. She gets up at seven in the morning everyday.

Liz doesn't help her in the morning. She goes to school. But at two o'clock she comes home. She has lunch and does her homework. Then she begins to help her mother about the house. In the evening she usually goes for a walk or watches television. Liz likes to read very much, too. She likes fairy tales. At ten in the evening she takes a shower, washes her hands and face, cleans her teeth and goes to bed.

6.1. Прочитай предложения. Пометь их словом Yes(да), если они соответствуют содержанию текста, и No (нет), если не соответствуют.

1. Liz's father has got a wife.
2. Her father is a businessman.
3. Liz goes to school in the afternoon.
4. She likes to read fairy tales.
5. They haven't got a television.
